Key Largo, FL 33037

To the KLVFD:

I am asking this letter be read at the KLFR&EMS District Meeting on March 22, 2010 as I will be out of town.

I would like to encourage the general membership to listen to the suggestions presented by the Senior Advisory Group. I have met with each Senior Advisory Group member, and feel the suggestions are right for your department.

It sounds like the group is running into obstacles. It is very important that these recommendations are taken very seriously to avoid the decision being placed into the District's hands for resolution.

I hope the Board and the General Membership will follow through on these suggestions.

Commissioner Wheaton
